

VI Всероссийская межвузовская научно-практическая конференция с международным участием
«Психическое здоровье: современные тенденции и перспективы»

VI All-Russian online Conference
«MENTAL HEALTH: MODERN TRENDS & PROSPECTS»
25 November 2021, 10 a.m. (Moscow time)

Organized by:

The Union for Mental Health (Moscow) in cooperation with the Far Eastern State Medical University of the Ministry of Health of the Russian Federation (Khabarovsk), the Tver State Medical University of the Ministry of Health of the Russian Federation (Tver), and the Saint Petersburg State Pediatric Medical University of the Ministry of Health of the Russian Federation (Saint-Petersburg).

Goal and Objectives

The Conference is aimed at raising awareness on mental health among senior students at medical universities in Russia via presentation of modern approaches to prevention, diagnosis, treatment, and rehabilitation of mental and behavioral disorders.

It will serve also for developing networks and cooperation in mental health field between Russian universities and improving attitudes to psychiatry as a one of the leading sciences in mental health.
