

VII Всероссийская межвузовская научно-практическая конференция с международным участием
«Психическое здоровье: современные тенденции и перспективы»

VII All-Russian Interuniversity Scientific Conference
«MENTAL HEALTH: MODERN TRENDS & PROSPECTS»
16 December 2021, 4 PM (Moscow time)

Organized by

The Union of Mental Health in cooperation with the Northern State Medical University of the Ministry of Health of the Russian Federation (Arkhangelsk), the Ural State Medical University of the Ministry of Health of the Russian Federation (Ekaterinburg), The Ivanovo State Medical Academy Ministry of Health of the Russian Federation (Ivanovo).

Goal and Objectives

The Conference is aimed at raising awareness on mental health among senior students at medical universities in Russia via presentation of modern approaches to prevention, diagnosis, treatment, and rehabilitation of mental and behavioral disorders.

It will serve also for developing networks and cooperation in mental health field between Russian universities and improving attitudes to psychiatry as a one of the leading sciences in mental health.
