

**VIII Всероссийская межвузовская научно-практическая конференция с международным участием**  
«Психическое здоровье: современные тенденции и перспективы»

---

### Organized by

The Union for Mental Health (Moscow) in cooperation with the Astrakhan State Medical University of the Ministry of Health of the Russian Federation (Astrakhan), the Smolensk State Medical University of the Ministry of Health of the Russian Federation (Smolensk), the Kirov State Medical University of the Ministry of Health of the Russian Federation (Kirov), the Orenburg State Medical University of the Ministry of Health of the Russian Federation (Orenburg), the Izhevsk State Medical Academy of the Ministry of Health of the Russian Federation (Izhevsk).

---

### Goal & Objectives

The Conference is aimed at raising awareness on mental health among senior students at medical universities in Russia via presentation of modern approaches to prevention, diagnosis, treatment, and rehabilitation of mental and behavioral disorders.

It will serve also for developing networks and cooperation in mental health field between Russian universities and improving attitudes to psychiatry as a one of the leading sciences in mental health.

---
